## Toxicological Evaluations Potential Health Hazards Of Existing Chemicals Introduction

Health and safety hazards of nanomaterials [x]The health and safety hazards of nanomaterials include the potential toxicity of various types of nanomaterials, as well as fire and dust explosion hazards... Globally Harmonized System of Classification and Labelling of Chemicals [x]Retrieved 2015-11-06. "Part 3 Health Hazards" (PDF). Globally Harmonized System of Classification and Labelling of Chemicals (GHS). Second revised edition... Toxicology [x]amelioration of such effects. Evidence-based toxicology has the potential to address concerns in the toxicological community about the limitations of current... Occupational hygiene (category Occupational safety and health) [x]based on toxicological studies or models. Occupational hygienists work closely with toxicologists (see Toxicology) for understanding chemical hazards, physicists... Occupational safety and health [x]diatriba (Dissertation on Workers' Diseases), which outlined the health hazards of chemicals, dust, metals, repetitive or violent motions, odd postures, and... Atrazine (redirect from Health effects of atrazine) [x]Agricultural Health Study (1994–2007) Archived 2012-03-28 at the Wayback Machine. Environmental Health Perspectives. "Chemical Hazards in Drinking Water... Occupational exposure banding (category Occupational hazards) [x]health. These bands are assigned based on a chemical's toxicological potency and the adverse health effects associated with exposure to the chemical.... Toxic Substances Control Act of 1976 [x]commercial chemicals before they enter the market, to regulate chemicals already existing in 1976 that posed an "unreasonable risk of injury to health or the... Endocrine disruptor (redirect from Endocrine disrupting chemicals) [x]hormonally active agents, endocrine disrupting chemicals, or endocrine disrupting compounds are chemicals that can interfere with endocrine (or hormonal)... Dichloromethane (category Sweet-smelling chemicals) [x]p. 210. Office of Environmental Health Hazard Assessment (September 2000). "Dichloromethane" (PDF). Public Health Goals for Chemicals in Drinking Water... Soil contamination (redirect from Health effects of soil contamination) [x]caused by industrial activity, agricultural chemicals or improper disposal of waste. The most common chemicals involved are petroleum hydrocarbons, polynuclear... Per- and polyfluoroalkyl substances (redirect from Forever chemicals) [x]group of synthetic organofluorine chemical compounds that have multiple fluorine atoms attached to an alkyl chain; there are 7 million such chemicals according... Polychlorinated biphenyl (redirect from Health effects of polychlorinated biphenyls) [x]biphenyls. ATSDR Toxicological Profile U.S. Department of Health and Human Services IARC PCB Monograph PCBs – US EPA National Toxicology Program technical... Health effects of electronic cigarettes [x]The health effects of electronic cigarettes (e-cigarettes) include a range of potential risks such as exposure to toxic chemicals, the possibility of increased... Health effects of Bisphenol A [x]California Office of Environmental Health Hazard Assessment unanimously voted against placing Bisphenol A on the state's list of chemicals that are believed... High production volume chemicals [x]High production volume chemicals (HPV chemicals) are produced or imported into the United States in quantities of 1 million pounds or 500 tons per year... Depleted uranium (redirect from Health and environmental effects of depleted uranium) [x]"Depleted and natural uranium: chemistry and toxicological effects" (PDF). Journal of Toxicology and Environmental Health Part B: Critical Reviews. 7 (4): 297–317... Electronic waste (redirect from Environmental impact of electronic waste) [x]Safety & Health Administration (OSHA) has summarized several potential safety hazards of recycling workers in general, such as crushing hazards, hazardous... Tetrachloroethylene (category Commodity chemicals) [x]Risk Information System [IRIS] Toxicological Review, 2012". iris.epa.gov/. Retrieved 23 September 2024. "Toxicological Profile for Tetrachloroethylene... Aspartame controversy (redirect from Aspartame and health) [x]A Safety Evaluation Based on Current Use Levels, Regulations, and Toxicological and Epidemiological Studies". Critical Reviews in Toxicology. 37 (8):...
